THIS WEEK

HER HONOR

Taking time from her busy schedule to speak to us will be the Hon. Mary Ann Lutz, the Mayor of our fair city. Knowing us, she can expect a plethora (if not a barrage?) of questions concerning every pothole in town. Rumor has it that SCOTT OCHOA has been sighted around town recently and that he just may put in an appearance. Let's have a good turnout and show a prominent Ro***** how KIWANIANS have more fun.

Programs are available: Program Coordinator LARRY MELLINGER has several folks who will gladly provide a program on short notice. If you're scheduled to obtain a program and are at a loss, see LARRY.

LAST WEEK

A RENAISSANCE

Monrovia High School Vice Principal, Jennifer Gates and teacher, Paul Dohls spoke about the Renaissance Program at the high school. Their goal is to

eventually be able to recognize every student for an achievement such as grade improvement, community service and other non-athletic successes. Two of the four participants in the project told us about how Renaissance has affected them. Very interesting!

THE DREDED VISITOR SONG

While there were no "visitors" in a technical sense, there were six folks from MHS presenting the program so that, badly needing a rehearsal, we risked a rendition of the DVS.
