THIS WEEK

LAND GRAB

Unless he's just joking, JOHNSON ANDERSEN had arranged for Gary Kovacic to speak to us about the use and abuse of the government's right of eminent domain—a hot topic among those who care in light of recent rulings in courts. It's a clash of the right of the property owner versus the right of government to serve the greater good' Can't you just hear BUFFALO BILL CALLAGY asking the first question of the speaker.

Programs are available: Program Coordinator LARRY MALINGERER has several folks who will gladly provide a program on short notice. If you're scheduled to obtain a program and at a loss, see LARRY.

LAST WEEK

GO FIGURE

First "they" tell you what you to teach and how many kids to have in class; then they mandate expensive programs be implemented; then they give you some of the money to do what they demand; and then they take the money back. "They" are the politicians, and LENDAR WAGNER and DEBBIE CALL IN explained how the "system" is affecting our local schools. Whatta mess.

THE DREDED VISITOR SONG

No guests, BUT we came THIS CLOSE to singing the DVS until LINDA WAGNER (our resident diva) expressed a profound disdain for our musical talents.

More Stuff You Need to Know...

THE RICH GET . . FIFTY/\$50

Former member of a trade that is admired now about as much as lawyers, politicians and used car salesmen, BILL RIDLE won last week's pot and boosted his bottom line.

AVOID THE RUSH

With each passing day the time when new-member GLENNNNN SWART can turn in his apron draws closer. PRESIDENT RAYBAN anxiously looks forward to learning who amongst us didn't introduce themselves and sign their name, so he can impose a blanket no bail fine.

FINES AND WHINES

RICHMAN ZOOK made it known that \$14 (or so) was somehow transferred from or to the Mary B. Thorn Club to or from our club. Is that clear? DIANE BALOON announced that her step son was the recipient of a new previously driven car which he'll get when she's through with it. CHRIS SHOVEL is playing inn keeper and honing his grand parenting skills for which he coughed up a twenty-five dollar bill.

**Have a wonderful week, and
we'll foolishly see you
Thursday, April 1.**
