THIS WEEK

THE DEVINE MS. B

By that we mean to introduce to our newer members the one and only DIANE BALSAMO whose visage appears on 125 shopping carts at the heart of Monrovia-the corner of Foothill and Myrtle. She'll most likely share from personal experience the ways one can gain fame and fortune in just 45 days (and avoid prison). If you're at all interested in getting ahead in life, you'll not want to miss this week's feast.

Programs are available: Program Coordinator LARRY MELLINGER has several folks who will gladly provide a program on short notice. If you're scheduled to obtain a program and are at a loss, see LARRY.

LAST WEEK

HERZZONER?

City of MONROVIA

The Mayor herself, Mary Ann Lutz, brought both good and bad news on the civic front; While new tax generating development are moving in, Monrovia is warring with the State of California-that paragon of fiscal responsibility that wants city help to fill the hole it finds itself in. And, just as speculated in this space a week ago, SCOTT OCHOA was spotted in the vicinity.

THE DREDED VISITOR SONG

On hand at the meeting were Scot Garlanded, a perspective member, Ashley Andrews, on behalf of Ronald McDonald House, and Kay Callagy, driver and bodyguard (*his words*) Our rendition of the DVS achieved a score of 2 on a scale of 1 to 13
