THIS WEEK

The ANDY B or PETER H Show

ANDY BENCOSME or PETER HOFFMAN will be in charge of the entertainment portion of this week's meeting, and that means our speaker will be outstanding if past performance is any predictor. This is a meeting to which you can safely bring a prospective member to be blown away and eager to join with us.

Programs are available: Program Coordinator LARRY MELLINGER has several folks who will gladly provide a program on short notice. If you're scheduled to obtain a program and are at a loss, see LARRY.

LAST WEEK

NOT BUSINESS AS USUAL

The seldom observed KIWANIS rule against promoting one's business has been repealed, and CHRIS SHEVLIN took full advantage, calling on each attendee in turn to describe his or her job(s). See photos on page 2. It's always amazing how we sometimes know so little about people that we "know" so well. Excellent!!!

THE DREDED VISITOR SONG

With no visitors on hand our rendition of the DVS was just a rehearsal.

OFFICERS ELECTED

With their nominations having been whispered for the requisite period of time, it was a unanimous vote to replace the tranquil, urbane administration of RYAN GARCIA in September with the madcap regime of ALFREDO MEJIA (president), JULIE GENTILE (vice president) and DON YOST (*whispered*, treasurer)
